

FOR IMMEDIATE RELEASE

Care Purchasing Services, Inc. and Momentum Healthware Form New Partnership

Winnipeg, MB. March, 2008 – Momentum Healthware is pleased to announce the signing of a preferred vendor agreement with Care Purchasing Services, Inc, (CPSI). After a comprehensive evaluation process, Momentum has been selected as the preferred vendor when sourcing dietary management technology systems and services. The rigorous endorsement policy ensures that CPSI members have a choice of selected prime vendors that provide the optimum in quality, functionality and price.

Momentum's Dietary Management system is a fully integrated software program that enables the food service department to streamline production, meal service and paperwork. Designed and supported by experienced dietitians, this powerful system will improve resident care, meal satisfaction and survey results, while enabling cost savings. Corporate level systems, designed for multi-facility organizations, provide powerful tools to centrally manage data and electronically distribute data to facilities as needed.

"This unique partnership will open the door to a more streamlined sales cycle while expanding our potential market base" said Glenn Tinkler, President of Momentum Healthware. "Our relationship will bring great value to CPSI members, and more importantly, to the residents and patients that they serve. This endorsement from CPSI validates our position as a market leader of dietary management software and services."

About Care Purchasing Services, Inc.

Care Purchasing Services, Inc. (CPSI) is a Group Purchasing Organization that is dedicated to ensuring that clients receive the best price for goods and services while enhancing service levels through negotiated preferred vendor agreements.

Members receive preferred pricing and unequalled service from some of the industry's most well respected vendors. CPSI allows both chain organizations and independents volume pricing with quality services. There is no cost to become a member of CPSI. The more volume we contribute to our vendor partners, the lower our pricing will be.
