

FOR IMMEDIATE RELEASE

Momentum Healthware Announces Management Appointment

Dennis Stewner Named Chief Financial Officer

Winnipeg, Manitoba, February 14, 2006 – Momentum Healthware, Inc. an industry-leading developer of healthcare solutions in Canada and the U.S., today announced that Dennis Stewner has been hired as the new Chief Financial Officer. Reporting to CEO Charles LaFleche, Stewner will oversee finance, information systems, human resources, legal, and administration to strengthen Momentum's position as a world class software provider.

Prior to joining Momentum, Stewner was Chief Financial Officer with the Prendiville Group of Companies where he managed several corporate functions. Stewner also held several executive positions with Assante Canada, including VP of Finance, VP of Wealth Management Services and Director of Strategy and Planning.

Stewner holds a bachelor's degree in commerce from the University of Manitoba and is a Chartered Accountant.

"Dennis brings with him an outstanding blend of financial acumen, operational experience, and savvy business development to our team." said Chuck LaFleche, president and CEO of Momentum. "He is a seasoned leader who will provide Momentum executive depth as we continue to experience rapid growth."

About Momentum Healthware Inc.

Founded in 1995, Momentum Healthware specializes in the development, delivery, integration and support of seamless information technology software systems for the healthcare industry. Its solutions serve the information systems requirements of small

to medium-sized hospitals, the continuum of long-term care facilities, and the home care sector in Canada, and the continuum of LTC organizations in the U.S.
